## Objective

Creative and detail-oriented 3D Animator with strong foundational knowledge of animation principles and proficiency in Autodesk Maya, Cinema 4D, and Adobe Creative Suite. Seeking to contribute imaginative storytelling and technical skill to a collaborative studio environment.

## Education

**Bachelor of Arts Digital Arts and Sciences (August 2022 - April 2026)**

**University of Florida, Gainesville, FL**

- Relevant Coursework: 3D Character Animation, 3D Digital Animation Technique, Advanced Digital Animation Technique, Design & Production Studio 2, Writing for Interactive Media, Digital Storytelling

## Experience

**Activities Coordinator - UF Animation Club, Gainesville, FL ( August 2025 - Current)**

- Organize bi-weekly club events, workshops, and social activities to enhance member engagement and learning
- Coordinate guest speakers and industry professionals, networking opportunities, and collaborative projects
- Serve as the primary point of contact for external partners and vendors to ensure smooth event execution

**Design Team Artist - UF Swampcon, Gainesville, FL (October 2024 - Current)**

- Design custom art work for a convention of over 3000 attendees, meeting their creative vision and ensuring satisfaction with the final product
- Contribute to the creative process through original ideas and inspiration
- Aid in the creation of eye-catching promotional material

**Freelance Graphic Designer, SWCA Environmental Consultants (July 2025 - August 2025)**

- Created and presented concept mockups that captured the project's creative direction
- Translated feedback into impactful design revisions to achieve polished final visuals
- Delivered cohesive brand assets and ensured consistency across all materials
